

Villa des Alpilles, No 33 Les Bastides des Oliviers St Remy de Provence

Detached luxury Villa with private swimming pool in a quiet residential area of St-Remy-de-Provence overlooked by Les Alpilles and within easy walking distance of the historic centre and the numerous Cafes, Bars, Restaurants and Art Galleries. This recently constructed "Bastide" is in traditional Provencal style and materials and is set in its own private garden.

St Remy is well known for its links with Van Gogh and is the ideal base for exploring the surrounding countryside and villages of Les Alpilles. Nearby attractions include the Camargue, the hill village of Les Baux de Provence and the historic towns of Avignon, Arles and Aix en Provence. Local wine, olive oil, cheese and vegetables are sold at the typical provencal market held every Wednesday.

St Remy is a 20 minute drive from the TGV station at Avignon and less than an hour from Nimes and Marseilles airports.
